

# Game Changing Administration

**Branded to Acrisure partner agents** - You are protected – we will not accept an AOR and you are working with Acrisure employees

**The industry's most comprehensive & flexible platform for the administration of consumer-directed healthcare (CDH) accounts** - Servicing over 30 million members and 225,000 employer groups with over 25 years of financial & healthcare industry experience.

**Streamlining EOB Retrieval & Processing Using Automated Technology** - Reduce or eliminate all of the clerical tasks associated with enrollment and claims processing. With over 150 supported carriers.

**Multi-purse Debit Card** - A single debit card is leveraged for all Health Benefit Account spending.

**Managing accounts on-the-go is easy with the Acrisure Smart CDH Mobile App** - The competitive landscape for CDH account products is crowded and rapidly evolving. Stand out with a smarter solution that guides your employers and consumers to measurable savings and better outcomes.

**Our Individual Coverage HRA (ICHRA)** According to the Departments of Labor, Health and Human Services, and Treasury, once adjusted to the new rules, roughly 800,000 employers will offer ICHRA to pay for more than 11 million employees and their families – signaling significant interest and upcoming demand. Our integrated solution provides:

- Seamless ICHRA and Benefit Enrollment Experience
- Plan selection services with decision support
- Access ICHRA through the Smart Account
- We deliver enhanced employer reporting
